

Visit with a doctor on your smartphone for free in 2019!

It's easy and convenient access to the care you need.

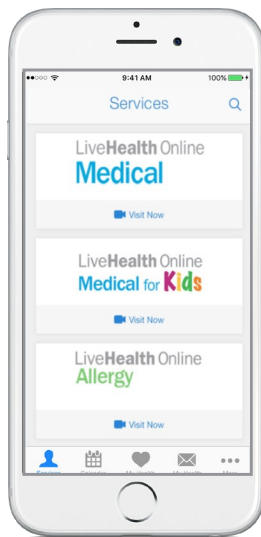

① Sign up

at livehealthonline.com or using the free LiveHealth Online mobile app. Enter your Name (ensure the Subscriber's name matches their medical ID; if the Subscriber's medical ID includes a middle initial, please enter it after their first name in the first name field, i.e. "John Q"), Date of Birth, Gender, Location, Email Address and Create a Password. Then enter your Anthem Medical ID Number.

No Service Key is needed.

***Dependents must select "No" when asked if they are the Primary, then enter the Primary Subscriber's information.*

② Choose a doctor

You'll be able to view a list of available doctors, their experience and ratings.

Review the profiles of available doctors and select the one you want to see.

③ Have a visit

During your video visit, the doctor will assess your condition, provide a treatment plan and can send prescriptions to the pharmacy you select if needed.
