Dear NEBF Retiree:

In response to a shortage of manpower in certain areas of the country, the Trustees of the National Electrical Benefit Fund (NEBF) and the National Employees Benefit Board have *temporarily* amended the Plan of Benefits for the NEBF to permit certain eligible retirees to return to NEBF covered and contributory employment for a period of time without a loss of pension benefits from the NEBF.

Attached, you will find an important notice concerning this temporary Return to Work Amendment. In order for a retiree to return to work under this temporary amendment, the notification form on the reverse side of this letter **must** be completed and returned to the NEBF. A pre-paid postage envelope has been provided with this letter for your convenience. You **must** also notify your local union if you intend to return to work under this temporary amendment.

In the event a retiree returns to work and has not submitted the notification form, the retiree will not be eligible to take advantage of the temporary amendment and the normal rules (permitting work in the electrical industry for less than forty (40) hours per month without a suspension of benefits) will apply.

If you have any questions concerning the temporary Return to Work Amendment, please contact the NEBF.

Sincerely,

Lawrence J. Bradley
Executive Secretary-Treasurer
