DISABILITY BENEFIT APPLICATION
CALCULATION OF MONTHLY BENEFITS UNDER 5, 10, 15, AND 20-YEAR PAYMENT OPTIONS

To determine your initial monthly benefit under the 5, 10, 15, or 20-year payment option, divide your account balance, minus any lump-sum payment(s) you will be receiving, by the number of months in the payment period you selected. Once each year, your monthly benefit will be recalculated, based upon your remaining account balance as adjusted for the Plan’s net investment earnings (or losses) from the previous year. This annual recalculation is necessary to ensure that the total payments made to you over the number of years you selected will be the exact amount of your account balance, plus net investment earnings (or minus net losses) during those years.

RETURN TO WORK POLICY---DISABILITY

If you are receiving monthly disability benefits under the 5, 10, 15, or 20-year payment option, you shall cease receiving such monthly benefits at the close of the last day of the month preceding the day upon which you return to covered employment. If your monthly disability benefits have been terminated pursuant to Section 15.2 of the Plan of Benefits for NEAP, you will be eligible for retirement or disability benefits under the rules of the Plan upon re-application.

If you have any question about the effect of re-employment on your monthly NEAP benefit, we urge you to contact this office before taking any action which might jeopardize your monthly benefit.

From time to time, we may request information to verify your employment status, or we may request that you certify that you are unemployed in the electrical industry.

If your monthly benefit is suspended pursuant to Section 15.2 of the Plan of Benefits for NEAP and you wish to appeal the suspension, you may use the Plan’s “Claim Procedure”, which is described in the Summary Plan Description.
To avoid delays in the processing and payment of your benefit, please follow these instructions carefully and completely.

1. Print all information requested.
2. Read and respond to each page carefully.
3. Remember to attach supporting documentation.
4. Remember to **sign and date** this application.
5. Submit original application. Faxes and photocopies will not be accepted.

If you do not receive a letter within 30 days, you should contact the Plan’s office.

If your claim is denied, a written notice of the reason for denial of benefits will be sent to you.

Circle the letter(s) next to the benefit option(s) you would like to select and then enter either the dollar amount or the percentage of your account balance you would like to have allocated to each of the options you choose.

Because of the complexity of the rules concerning the tax treatment of distributions received from the Plan, we suggest that you read the enclosed "Special Tax Notice Regarding Plan Payments" thoroughly, and that you obtain advice from your personal tax advisor before making your decision.

Instructions:
On the following pages, you will find an explanation of the Plan's two (2) basic benefit options—lump-sum payments and periodic (monthly) payments. You may allocate your entire account balance any way you choose—all to the lump-sum payments option or if your account balance exceeds $10,000.00, split between the lump-sum payments option and the monthly payments option.

Circle the letter(s) next to the benefit option(s) you would like to select and then enter either the dollar amount or the percentage of your account balance you would like to have allocated to each of the options you choose.

I elect, with the consent of my spouse, if applicable, to have my benefit paid as follows, in accordance with the rules and regulations governing the National Electrical Annuity Plan:

1. ________________ Lump-Sum payments. Instructions: If you select this option, you may elect to have the entire amount on line one (1) applied to any one of the four options shown below, or you may split the amount on line one (1) among the options shown below.

   a. __________ Pay the amount on line (a) directly to me. I understand that twenty percent (20%) of this amount will be withheld for federal income taxes. If you are not a citizen or resident alien of the United States, you may be subject to a different withholding rate.

   b. __________ Roll over the amount on line (b) into a qualified Individual Retirement Arrangement (IRA), in accordance with the "Individual Retirement Arrangement Rollover Authorization" form I have included in this application.

   c. __________ Roll over the amount on line (c) into a qualified defined-contribution plan, in accordance with the "Defined Contribution Plan Rollover Authorization" form I have included in this application.

   d. __________ Annuity purchase. Use the amount on line (d) to purchase an annuity on my behalf, from an insurance company of my own choosing. I have provided information about the insurance company in the spaces below. I understand that twenty percent (20%) of this amount will be withheld for federal income taxes. If you are not a citizen or resident alien of the United States, you may be subject to a different withholding rate.

   Contact person and address of insurance company if selecting option (d).

2. Monthly (periodic) payments---available only to participants whose account balances exceed $10,000.00. Pay the amount on line two (2) in monthly installments, over the period selected below. A direct deposit form must be filled out for this option.

**Instructions:** Circle either option a, b, c, or d below. If you select option a, b, or c, you will receive monthly payments according to your selection. If you select option d, see instructions below. Note that if you die while there is still a balance in your account, any remaining amount will be paid in a lump sum to your spouse, unless you have designated another beneficiary with the consent of your spouse.

a. twenty (20) years

b. fifteen years (15) years

c. ten (10) years

d. five (5) years.

**Instructions:** If you select this option, you may elect to have the entire amount on line two (2) applied to any one of the three (3) options shown below, or you may split the amount on line two (2) among the options shown below.

I. Pay the amount on line (I) directly to me over a period of five years (sixty monthly payments). I understand that twenty percent (20%) of the amount of each monthly payment will be withheld for federal income taxes. If you are not a citizen or resident alien of the United States, you may be subject to a different withholding rate.

II. Roll over the amount on line (II) into a qualified Individual Retirement Arrangement (IRA), in accordance with the "Individual Retirement Arrangement Rollover Authorization" form I have included in this application.

III. Roll over the amount on line (III) into a qualified defined-contribution plan, in accordance with the "Defined Contribution Plan Rollover Authorization" form I have included in this application.

**CALCULATION OF MONTHLY BENEFITS UNDER 5, 10, 15, AND 20-YEAR PAYMENT OPTIONS**

To determine your initial monthly benefit under the 5, 10, 15, or 20-year payment option, divide your account balance, minus any lump-sum payment(s) you will be receiving, by the number of months in the payment period you selected. Once each year, your monthly benefit will be recalculated, based upon your remaining account balance as adjusted for the Plan's net investment earnings (or losses) from the previous year. This annual recalculation is necessary to ensure that the total payments made to you over the number of years you selected will be the exact amount of your account balance, plus net investment earnings (or minus net losses) during those years.

(This section must be completed if your account balance exceeds $5,000.00)

Instructions:

If the balance of your Individual Account exceeds $5,000.00, federal law and the Plan of Benefits for NEAP require that your spouse consent to the selection of a form of benefit other than the Joint and Survivor Annuity Benefit. If you have selected another form of benefit, the following Consent must be signed by your spouse and notarized. If your spouse does not consent to another form of benefit, the law requires that the balance of your Individual Account be paid to you in the form of the Joint and Survivor Annuity Benefit.

SPOUSE’S CONSENT TO PARTICIPANT’S ELECTION OF BENEFITS IN A FORM OTHER THAN THE JOINT AND SURVIVOR ANNUITY BENEFIT

I, ___________________________________________ am the spouse of ______________________________________ whose Social Security Number is __________________________ I understand that my spouse’s Individual Account balance is approximately $___________.

I understand that the Individual Account balance will be paid to my spouse in the form of the Joint and Survivor Annuity Benefit unless I sign this Consent. The Joint and Survivor Annuity Benefit would provide me with a benefit, commencing at the death of my spouse and continuing for the remainder of my life, equal to 50% of the benefit my spouse was receiving in the form of a life annuity at the time of his/her death. I have been provided with all of the information that I may have requested as to the economic effect of this Consent.

I understand that I have the right to revoke this Consent by filing a written notice of revocation with the Plan, so long as the Plan receives the notice on or before the date of the first distribution of benefits to my spouse.

☐ I HEREBY WAIVE my right to have my spouse’s account paid in the form of a joint and survivor annuity benefit as described above and I consent to the option selected by my spouse on this application.

☐ I DO NOT WAIVE my right to a joint and survivor annuity and request that you use his/her account balance to provide a joint and survivor annuity benefit.
